Don't Miss *Together We Can*

A tale inspired by the words of Ryunosuke Satoro "Individually we are one drop . Together we are an ocean." Adelina is teased by others because she is different. Her Grandmother tells her a story about Babodragon and Clareta, who sail on the Sea of storms together. They are joined by other characters who interweave their own stories, music and humor illustrating the importance of celebrating our unique selves, while working together to build a better world. Come join us in the theater if you get the chance!
It's a great show!

Consider donating to **Anew Dimension and Imagination Theatre** on **Give to the Max Day , November 14, 2019.**

Both are non-profits and would benefit from any kind and generous donation you care to give.
Our websites have donation buttons and we accept donations at our location.

We will continue to play outdoors as much as possible. Please make sure your children have the proper clothing here at school. For outside they need hats, gloves, a warm coat, snow pants and winter boots!

They also need a change of clothes in their cubby in case of accidents or spills.

We welcome all family members and friends to come and share your time and talents with the children at Anew Dimension. Whether you play an instrument, dance or tell stories; families are encouraged to enhance our program with whatever is offered.

Snow Day Policy at ANEW Dimension:

Even if the Minneapolis Public Schools are closed, we will probably be open. We try very hard to remain open when possible. When in doubt, call the center before you bring your children out. If we are closed, a message will be posted on our voicemail (612) 339-2333
